Education

2026 - Associates Degree

Graphic & Web Design
Mount Wachusett Community College

Volunteer

Northeast Regional Director

Responsible for connecting skating coaches, directors, operations managers, and vendors in the Northeast to help support and grow the ISI figure skating community.

Career Summary

2022-PRESENT

Exclusive web designer for the Teams at Center Skating Academy. I work closely with the Director and Board members to keep the site current.

1996-PRESENT

30 years of professional coaching experience across individual, group, and team disciplines (Synchronized and Theater on Ice). Organizer for competitions, shows and exhibitions. A background defined by high-level athlete mentorship, creative choreography, and a consistent history of student achievement and competitive success.

1998-2000

As part of the Walt Disney Company's College Program, I was a Floor Director (sales associate) in seven, locations at the Disney Hollywood Studios. I worked to ensure guests received the best and most magical customer service.

Community Give Back

The Teams at Center Skating Academy

I collaborate with the skating club director to organize, coordinate, and support community service initiatives. We produce holiday cards for multiple assisted living facilities to create smiles on faces. We also collect donations for various animal and family shelters.

These projects are designed to instill ownership and responsibility in addition to compassion and empathy in the younger generation.

Service Learning

MWCC Study Abroad Program

I was asked to put together a flyer and brochure for potential and existing students at Mount Wachusett Community College. I worked the imagery for the flyer and brochure to give them a new and fresh feel.
